If the Board wishes, in spite of the existence of one or more of the relationships as listed in the return (Annex 1) referred to in clause 1.6 below, to consider a Director as independent, the Company should disclose in full the nature of the Director’s relationship and bear responsibility for explaining why he should be considered independent.

1.7 An independent member shall immediately notify the secretary of the Company of any change in circumstances that may result in him not being able to meet the criteria for independence.

The Board may, after considering the change in circumstances, reconstitute the AC in compliance with provisions of the Companies Act, the AC's terms of reference, the HK Listing Rules and the Listing Manual.

1.8 A member who wishes to retire or resign from the Committee shall notify the Board in writing, giving at least one (1) month's notice.

Any member who has an interest in any matters being reviewed or considered by the Committee shall abstain from voting on that matter.

3. DUTIES

The duties of the Committee shall be:

- 3.1 review the relevance and consistency of the accounting standards, the significant financial reporting issues, recommendations and judgments made by the external auditors so as to monitor and ensure the integrity of the financial statements, annual report and accounts, half-year report, and quarterly reports (if prepared for publication) of the Group and any announcements relating to the Group's financial performance, and review significant financial reporting judgments contained in them. In reviewing these reports before submission to the board, the AC should focus particularly on:

 - (c) significant adjustments resulting from audit;
 - (d) the going concern assumptions and any qualifications;

Regarding the above, (i) members of the AC should liaise with the Board and senior management and the AC shall meet, at least twice a year, with the Company's auditors and (ii) the AC should consider any significant or unusual items that are, or may need to be, reflected in the report and accounts, and give due consideration to any matters that have been raised by the Group's staff responsible for the accounting and financial reporting function, compliance officer or auditors.

- 3.2 review, report and discuss with the Board and senior management at least annually the adequacy and effectiveness of the Group's risk management and internal controls systems, including financial, operational, compliance and information technology controls systems (such review can be carried out internally or with the assistance of any competent third parties), which shall cover the adequacy of resources, staff qualifications and experience, training programmes and budget of the Group's accounting and financial reporting function, as to ensure that the management has performed its duty to have effective systems.

- 3.5 review and monitor the scope and results of the external audit, the independence and objectivity of the external auditors, and the effectiveness of the audit process in accordance with applicable standards. The AC should discuss with the external auditor the nature and scope of the audit and reporting obligations before the audit commences, and ensure co-ordination where more than one audit firm is involved. Procedures to review and monitor the independence of the external auditors may include:
 - (i) consider all relationships between the Group and the external auditors (including non-audit services);
 - (ii) obtain from the audit firm annually, information about policies and processes for maintaining independence and monitoring compliance with relevant requirements, including those for rotation of audit partners and staff; and

- 3.6 make recommendations to the Board on the proposals to the shareholders on the appointment, re-appointment and removal of the external auditors, and approve the remuneration and terms of engagement of the external auditors, and any questions of its resignation or dismissal.

- 3.7 develop and implement policy on engaging an external auditor (which, for the purpose of this paragraph only, includes any entity that is under common control, ownership or management with the audit firm or any entity that a reasonable and informed third party knowing all relevant information would reasonably conclude to be part of the audit firm nationally or internationally) to supply non-audit services, and report, identify and make recommendations to the Board on any matters where action or improvement is needed. The AC should ensure the external auditor's provision of non-audit services does not impair its independence or objectivity. When assessing the external auditor's independence or objectivity in relation to non-audit services, the AC may wish to consider:
- (i) whether the skills and experience of the external auditor makes it a suitable supplier of non-audit services;
 - (ii) whether there are safeguards in place to ensure that there is no threat to the objectivity and independence of the audit because the external auditor provides non-audit services;
 - (iii) the nature of the non-audit services, the related fee levels and fee levels individually and in total relative to the external auditor; and
 - (iv) criteria for compensation of the individuals performing the audit.
- 3.8 review the external auditor's management letter, any material queries raised by the auditor to management about accounting records, financial accounts or systems of control, and management's response, and ensure that the Board will provide a timely response to the issues raised in the external auditors' management letter.

- 3.12 conduct an annual assessment of its performance against its Terms of Reference duties and responsibilities and provide a report of the findings to the Board.
- 3.13 review the assurance provided by the chief executive officer and chief financial officer regarding the financial records being properly maintained and the financial statements giving a true and fair view of the Company's operations and finances.

- 3.14 participate in the appointment, replacement or dismissal of the head of internal audit or, if an external party, the internal auditor.
- 3.15 review the Group's compliance with such functions and duties as may be required under the relevant statutes or the Listing Manual or HK Listing Rules, including such amendments made thereto from time to time.
- 3.16 review and approve interested person transactions and connected transactions, and review procedures thereof.
- 3.17 review potential conflicts of interest (if any) and to set out a framework to resolve or mitigate any potential conflicts of interests.
- 3.18 review the risk management framework with a view to providing an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or, where the findings are material, announced immediately via SGXNET and the website of the HK Stock Exchange, as applicable.
- 3.19 investigate any matters within its terms of reference.
- 3.20 review the policy and arrangements, by which the staff of the Group or any third party may, in confidence, raise concerns about possible improprieties including matters of financial reporting, internal control and or other matters, and to ensure that proper arrangements are in place for fair and independent investigations of such matter and for appropriate follow-up action.
- 3.21 where the AC deems necessary or as delegated by the Board, to commission and review the findings of any internal investigations into risk management and internal control matters and matters where there is any suspected fraud or irregularity, or failure of internal controls or suspected infringement of any applicable law, rule or regulation in relevant jurisdictions, and to consider the management's response to these findings.
- 3.22 where the AC deems necessary, to commission an annual internal control audit until such time as the AC is satisfied that the Group's internal controls are robust and effective enough to mitigate the Group's internal control weaknesses (if any).

Prior to the decommissioning of such an annual audit, the Board is required to report to the SGX-ST and the Sponsor on how the key internal control weaknesses have been rectified, and the basis for the decision to decommission the annual internal control audit (where applicable). Thereafter, such audits may be initiated by AC as and when it deems fit to satisfy itself that the Group's internal controls remain robust and effective. Upon completion of the internal control audit, appropriate disclosure will be made via SGXNET of any material, price-sensitive internal control weaknesses and any follow-up actions to be taken by the Board.

3.23 report to the Board its findings from time to time on matters arising and requiring the attention of the Committee and matters in the code provisions contained in Appendix 14 to the HK Listing Rules, or to undertake such other reviews and projects as may be requested by the Board.

3.24 consider other topics as defined by the Board and undertake such other functions and duties as may be required by the Laws of Hong Kong, the Laws of Singapore, the HK Listing Rules or the Listing Manual, and by such amendments made thereto from time to time.

3.25 consider agreeing with the Board on the Company's policies on hiring employees or former employees of the external auditor and monitoring the application of these policies. The AC should then be in a position to consider whether there has been or appears to be any impairment of the external auditor's judgment or independence for the audit.

4. REPORTING PROCEDURE

4.1 The Committee shall report to the Board the outcome of its reviews and discussions with the external auditors and its findings on any suspected fraud or irregularity, or suspected infringement of any law, rules or regulations, which has or is likely to have a material impact on the operating results or financial position of the Company.

5. ATTENDANCE AT GENERAL MEETINGS

5.1 The Chairman (or in his absence, an alternative member) of the AC shall attend the General Meetings of the Company and be prepared to answer questions falling within the scope of the AC.

5.2 The chairman of the independent board committee (if any) should also be available to answer questions at any general meeting to approve a connected transaction or any other transaction that requires independent shareholders' approval.

5.3 The Management should ensure the external auditor attends the annual general meeting to answer questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies and auditor independence.

6. AUTHORITIES

6.1 The AC is granted the authority to investigate any activity within its terms of reference and all employees are directed to cooperate with the AC.

6.2 The AC should be provided with sufficient resources to perform its duties.

7. REMUNERATION

Having regard to the functions performed by members of the AC in addition to their functions as Directors in relation to the activities of the AC and pursuant to the specific power conferred upon the Board by the Articles of Association of the Company, members of the AC may be paid such special remuneration in respect of their appointment and in such manner as shall be fixed by the Board.

8. CONTINUING APPLICATION OF THE CONSTITUTION OF THE COMPANY

The constitution of the Company regulating the meetings and proceedings of the directors so far as the same are applicable and are not replaced by or inconsistent with the provisions in these terms of reference shall apply to the meetings and proceedings of the Committee.

9. POWERS OF THE BOARD

The Board may, subject to compliance with the constitution of the Company, the Listing Manual, the Code, and the HK Listing Rules (including Appendix 14 (the Corporate Governance Code and Corporate Governance Report) to the HK Listing Rules), amend, supplement and revoke these terms of reference and any resolution passed by the Committee provided that no amendments to and revocation of these terms of reference and the resolutions passed by the Committee shall invalidate any prior act and resolution of the Committee which would have been valid if such terms of reference or resolution had not been amended or revoked.

10. GENERAL

10.1 The AC in carrying out its tasks under these terms of reference may obtain at the Company's expense such external or other independent professional advice as it considers necessary to carry out its duties.

10.2 The Board will ensure that the AC has the resources and access to independent professional advice at the Company's expense in order for it to perform its duties.

10.3 These terms of reference may from time to time be amended as required, subject to the approval of the Board.
